

DANA BERGGREN, LEED® AP, CCIM

VICE PRESIDENT

DANA BERGGREN began her career in real estate in Chicago in 1997. Her focus was general brokerage, development and mentoring new agents. She moved to Las Vegas in 2002 and in addition to working in commercial brokerage, worked in hi-rise condo development in sales and consulting and taught the 90-hour prelicensing course for the Real Estate School of Nevada. Dana is proud of her diverse experience in the real estate industry and feels it makes her a well-rounded broker.

In her current role at Prudential | IPG, Dana represents owners and developers of office and industrial properties. Notable clients include SAXA, Inc., the number one developer of small office buildings in Las Vegas, and The Koll Company, with a Las Vegas portfolio of nearly 500,000 square feet. She has achieved a wealth of knowledge and understanding of the Las Vegas market through research, market analysis and networking events. She takes a more personal approach to tenant and buyer representation and strives to form lasting relationships.

Dana volunteers her time mentoring new agents and students entering the commercial real estate industry. She also volunteers for Keep Memory Alive/ Cleveland Clinic Lou Ruvo Center for Brain Health.
